The Wisconsin Works (W-2) and Related Programs Contract and Amendments to the Contract are amended to adjust the funding amounts in the Base Contract, in the following sequence: the agency's request to adjust its funding within its allocation for the W-2 Base Contract and the Department's re-allocation of available balances to agencies that had insufficient funding to cover allowable expenses. The Department applied the following priorities in its reallocation process: cover all program expenses to the degree possible within the available program funds and cover administrative expenses to the extent allowable, within the available funds.
